MATH 30 – 1 FORMATIVE ASSESMENT CHECK-UP *Mr. Kulmatyski*

**RADICAL AND RATIONAL FUNCTIONS**

<b><u>Lesson</u></b>	<b><u>Formative Work (Evidence of Learning)</u></b>	<b><u>Burger Rubric /4</u></b>
Lesson 1/2 Radical Functions	p.444 1-5 p.451 1-12	/4
Radical functions Quiz	Summative	Summative
Lesson 3 Rational functions Asymptotes	p. 461 1-9	
Long Division Lesson 2 Polynomials Synthetic Division Lesson 3 Polynomials	P298 1ac 2b3ac 4 7-11  P306 1-7	/4  /4
Lesson 4 Rational functions Discontinuity Mr. K gives factors Lesson 5 Graphs of Rational Functions	p.469 1-12  p.477 1-5	/4
Lesson 6 Solving Radical and Rational Equations	Worksheet Assgn pp 124-128 (1-8 Follow Graphing or Algebra Instructions.	/4
Lesson 7 Practice Test	1-20, written response	/4
Package		Summative
		/24

**a. Evidence of My Understanding (Formative )**

I complete all my daily formative work to the full burger level	yes	no
I know what I know and I know what I don't know every day	yes	no

**b. Class Work**

I ask questions in class every time I have concepts that I do not Understand.	yes	no
I come in for extra help when it is offered.	yes	no
I participate in classroom discussions	yes	no

**c. Preparing for Exams**

I do all practice test (for that unit) before an exam.	yes	no
I ask about questions that I do not understand.	yes	no
I go back and look over the concepts I did not do well at In my formative lessons.	yes	no

Based on the evidence of the formative work I have done and the work I have done in preparing for the exam the mark I think I will get on the exam is \_\_\_\_\_%.
